(1) BOND CONDITIONED UPON THE DELIVERY OF AN ALIEN. In consideration of the granting of the application of the above alien for release from custody under a warrant of arrest issued by the Attorney General charging that he/she is unlawfully in the United States, provided there is furnished a suitable bond as authorized by Section 236 and/or Section 241 of the Immigration and Nationality Act, the obligor hereby furnishes such bond with the following conditions if: (1) the alien is released from custody and if the obligor shall cause the alien to be produced or to produce himself/herself to an immigration officer or an immigration judge of the United States, as specified in the appearance notice, upon each and every written request until exclusion/deportation/removal proceedings in his/her case are finally terminated; (2) the said alien is accepted by the DHS for detention or deportation/removal; or (3) the bond is otherwise canceled, this obligation shall terminate. If, however, the obligor fails to surrender the alien in response to a timely demand while the bond remains in effect, the full amount of the bond (see Paragraph C above) becomes due and payable. The obligor further agrees that no order issued by or under the authority of the Attorney General or Secretary of Homeland Security by virtue of which issuance or execution of any order of deportation/removal is or may be deferred, shall be in any manner construed to impair or render void this obligation or any part thereof.

(2) BOND THAT ALIEN SHALL NOT BECOME A PUBLIC CHARGE. In consideration of the granting of the application of the above alien for permission to enter the United States, providing there is furnished a suitable bond that he/she will not become a public charge, the obligor hereby furnishes such bond with the following conditions: if the alien is admitted to the United States and accepts any form of prohibited public assistance the obligor shall pay to the United States or to any State, Territory, county, town, municipality or district thereof, which shall have provided such public assistance any or all charges or expenses arising therefrom up to the total amount of the bond. In the event that the public authority providing the assistance is not authorized to accept reimbursement, the obligor agrees that he/she will promptly pay the actual expenses to the Department of Homeland Security. If the obligor fails to pay all charges or expenses within 30 days after notice to him/her by the DHS that the alien received a form of prohibited public assistance that was considered in making a determination that the alien has become a "public charge" provided that in no event shall the liability of the obligor exceed the total amount of bond, then DHS may cease to do business with the obligor or co-obligor. Any such amounts collected by the DHS, which are not turned over to the public authority providing the assistance will be deposited in the Breached Bond Detention Fund. Notwithstanding any violation of this bond and any payment made pursuant to the terms thereof, this obligation shall remain in full force and effect as to the remainder of the liability of this obligation until the departure, naturalization or death of the alien. It is further agreed that suit to enforce any of the conditions of this bond may be instituted by either United States, or any interested State, Territory, county, town, municipality, or district thereof.

(3) BOND CONDITIONED UPON THE VOLUNTARY DEPARTURE OF AN ALIEN. In consideration of the granting by the Attorney General of an application of the above alien to depart voluntarily from the United States, provided there is furnished a suitable bond as authorized by 8 U.S.C. 1229c the obligor hereby furnishes such bond with the following conditions if: (1) the obligor ensures that the alien departs the United States on or before the date specified in the order granting voluntary departure, and provides probative documentation of the departure within 30 days of the date specified in the order granting voluntary departure; or (2) the alien is actually accepted by the DHS for detention or deportation/removal, this obligation shall terminate. Otherwise the amount of the bond specified in Paragraph C above shall become due and payable.

(4) ORDER OF SUPERVISION BOND. In consideration of the granting of the release of the above alien pursuant to a post removal period order of supervision, the obligor hereby furnishes this guaranty with the condition that: if the alien fully performs all of the conditions of the order of supervision and surrenders for removal, then this obligation shall terminate; but if the alien fails to fully perform all of the conditions of the order of supervision, or the alien fails to surrender for removal, the full amount of this bond shall become due and payable by the obligor.

ICE needs to maintain current obligor address information so that it can communicate with the obligor, and make payments of interest and principal owed to the obligor.

Routine Uses: This information will be used by and disclosed to DHS personnel and contractors or other agents who need the information to support the enforcement of immigration laws and the provision of immigration benefits. **NOTICE TO CASH BOND OBLIGORS
IRS "BACKUP WITHHOLDING" RULES**

In certain circumstances, U.S. Immigration and Customs Enforcement (ICE) may be required by the Internal Revenue Service (IRS) to withhold tax from some of the interest payable to you as a cash bond obligor. This requirement is based on IRS "backup withholding" rules. To assist DHS in determining whether some of the interest must be withheld, please complete and return to ICE either IRS Form W-9 or IRS Form W-8BEN, based on the instructions below. Both IRS forms are available on www.irs.gov. ICE will use the information you provide to determine whether or not you are subject to the IRS "backup withholding" rules.

A "cash bond obligor" is the person who has paid the money to post an immigration bond. By law, immigration cash bonds earn simple interest at the rate of 3% per year. This interest is paid once the cash bond has been canceled or breached after the obligor has provided ICE with the required forms and paperwork to issue the interest payment.

Consequences of Not Returning the IRS Form: If you fail to return the appropriate IRS form, ICE may withhold tax at a rate prescribed in IRS rules based on your apparent status as a citizen, resident, or non-resident alien based on information provided to us during the immigration bond process, such as your address. If ICE does not have a valid taxpayer identification number for you, and it appears you are a U.S. citizen or lawful permanent resident, ICE may withhold 28% from interest payments made to you that equal or exceed \$600.00 within a calendar year. If it appears that you are a non-resident alien, federal backup withholding will be deducted at the rate of 30% on any interest payments made.

INSTRUCTIONS:

- If you are a U.S. citizen or lawful permanent resident, please complete Form W-9
- If you are a non-resident alien, please complete Form W-8BEN
- You may obtain Form W-9 or Form W-8BEN from the IRS website: www.irs.gov. A Spanish-language translation of Form W-9 and its instructions are available on the IRS website under the "Español" link
- If you have questions about how to fill out Form W-9 or Form W-8BEN, you may call the IRS Toll Free at 1-800-829-1040, Monday - Friday, 7:00 a.m. - 10:00 p.m. your local time
- After completing the appropriate form, please send it to:
